MY BILLIONAIRE TRICERATOPS CRAVES GAY ASS

Jeremy was never quite sure about his feelings for Oliver, his gay pet dinosaur, until Oliver scores big and leaves home to pursue his dreams of being a dancer.

Years later, the two of them reconnect for dinner in New York City, and realize that there may have been more to their relationship besides prehistoric pet and master. Now a wealthy socialite, Oliver the triceratops is willing to take another chance on Jeremy, and soon the two find themselves locked in a passionate evening of gay human-dino love.

This erotic tale is 4,300 words of sizzling human on gay triceratops action, including anal, blowjobs, rough sex, and prehistoric beast love.

"You know, half the people in here probably think we're on a date, anyway. Some rich old triceratops with a hot piece of human arm candy."

I glance around the restaurant and suddenly realize that he's probably right. As taboo as dinosaur human relationships are, they're still not entirely unheard of, especially here in the big city.

I take a deep breath. "Do you want me to be your arm candy?" I ask him.

SPACE RAPTOR BUTT INVASION

Space can be a lonely place, especially when you're stationed by yourself on the distant planet Zorbus. In fact, Lance isn't quite sure that can last the whole year before his shuttle pod arrives, but when a mysterious visitor appears at Lance's terraforming station, he quickly realizes that he might not be so alone after all.

Soon enough, Lance becomes close with this mysterious new astronaut, a velociraptor. Together, they form an unlikely duo, which quickly begins to cross the boundaries of friendship into something much, much more sensual.

It's not gay if it's a man and a dinosaur, is it?

This erotic tale is 4,100 words of sizzling human on gay dinosaur action, including anal, blowjobs, rough sex, and space raptor love.

I let his words linger in the air for a moment, not sure if I should say what I so desperately want to.

But it's now or never, I think to myself, taking a deep breath.

"What about a human man?" I question.

I can see the raptors expression suddenly change as understanding washes over him. "Yeah, I think I might be into that actually," Orion tells me.

"I mean, it's not gay if it's a dude raptor and a dude human, right?" I ask.

"Totally not gay," says the dinosaur. "The raptor would have to be in control though; dominating, even."

"Yeah," I sigh, my cock rock hard in my pants.

This erotic tale is 4,100 words of sizzling human on living building action, including anal, blowjobs, facials, rough sex, cream pies, and alpha diner love.

"I don't see it," I admit to Turk, scanning the room from his hard dick.

"Back there, behind the boxes," the diner tells me.

I make my way past a few crates of food and suddenly find myself face-to-cock with the buildings massive erect shaft. Turk's dick is beautiful and fully engorged; standing at attention while his two giant balls hang gracefully beneath.

I start by cradling said balls in one hand and slowly stroking his firm shaft with the other, tracing my hand carefully up and down Turk's length.

The building lets out a satisfied and thankful sigh. "Oh yeah, Lars, suck that cock."

TRAINED BY THE LIVING BIKER TRAIN

Jeff is an author in search of inspiration. After writing a hit novel about the fascinating world of motorcycles, Jeff's publishers are anxious for a follow up, but the novelist soon finds himself with a case of the sophomore slump.

To cure his writer's block, Jeff heads out across America by train, but he drums up more than just inspiration after sparking the homoerotic interest of the very train that he's riding in, Dylan. The two share a hot motorcycle date in downtown Chicago, but it's not until they return to an abandoned train yard that things really start to heat up.

Now Jeff finds himself in the troughs of gay passion with this powerful machine, resulting in a climax so hot, it will have you coming off the rails.

This erotic tale is 4,400 words of sizzling human on gay train action, including anal, blowjobs, rough sex, rim jobs, cream pies, and hot train love.

"What is this?" I ask as we start to pull out onto the track, rapidly gaining speed.

"The worlds fastest reach around rim job," responds the train.

The next thing I know, we are flying around the circular railway at lightning speed.

In any other setting, the sheer speed that I'm traveling at would be incredibly unpleasant, but as the train simultaneously beats off my cock and licks my asshole with his powerful train tongue, the thrill is absolutely incredible. It's not long before I find myself speeding towards an orgasm of my own.

"I'm gonna cum!" I warn with my eyes closed tight. "I'm gonna cum!"

“Oh yeah? You want to help me out?” Keith says, grabbing a bottle of lotion and tossing it over to me. I pop open the cap and pour out as much as I can fit into my hand, quickly realizing that it still probably won’t be enough to cover the entire plane.

I walk over to Keith and then, after rubbing my hands together, get to work smearing the sunscreen across his silver, metallic surface.

“Awesome, bro. Thanks a lot,” says Keith.

Without even thinking I drop the cup, which explodes in a flurry of hot black coffee across the floor. Just when Kent is certain that he'll never find the best of both worlds, he meets Channing, a living gay dress who is famous online for appearing black and blue to some, and gold and white to others.

"I'll tell you," Channing continues. "I'll let you know my secret."

I sigh, my curiosity getting the best of me. "Okay. What's your secret?"

"My secret is that I'm not even a dress at all," says Channing. "I'm an XXL shirt."

The tall milk glass rocks from side to side for a moment, sloshing around the liquid within until finally a few blobs topple out over either rim. POUNDED IN THE BUTT BY MY LEAKED MASHLY ADDISON DATA

Kurps Krimple is a senator from Washington D. C., knows a thing or two about lying, especially when it comes to cheating on his wife with a seemingly endless parade of bigfeet who have rods the size of your arm. His favorite website to find hookups, of course, is Mashly Addison, a bastion for cheaters looking for something discreet.

But when word gets out that Mashly Addison has been hacked, and the private data of several politicians leaked onto the Internet, Kurps is terrified, until he discovers that his sensitive information is nowhere to be found. That's when he receives the call.

What starts as a simple meeting with his hacked data quickly turns into a hardcore anal pounding that will have your heart racing. Nobody knows Kurps like his own private information does. Could this betrue love, or just another strand in a web of lies?

This erotic tale is 4,400 words of sizzling human on gay unencrypted data action, including anal, blowjobs, rough sex, and publicly released love.

I let out a long sigh. "If we really try to make this happen then I need to be damn sure you're the one for me. I have a job, I can't just run off with you. Besides, isn't that tampering with evidence?"

"Love can overcome all of that," my data replies. "Don't you see? If there's one person in the world that you're truly capable of loving, it's yourself. That's exactly who I am, a living personification of everything that makes you a special senator."

His words strike a chord within me. "You're right," I say, my heart flooding with butterflies. "I really do love myself."

"Then love me," my data says before leaning in and kissing me hard on the mouth.

HELICOPTER MAN POUNDS DINOSAUR BILLIONAIRE ASS

"My name is Jon Hams and I'm a sex addict."

And so begins Dr. Chuck Tingle's first full length novel, Helicopter Man Pounds Dinosaur Billionaire Ass, a thrilling superhero origin story that will take you to the edge of gay erotic romance and stare bravely into the abyss. It is a story so powerful, so sensual, that it could change the very face of erotic literature forever.

John Hams is a man who has lost it all, a nine-to-five nobody with an addiction to billionaire dinosaur bad boys. That is, until a freak accident at work imbues John with the ability to transform into an achingly handsome helicopter at will.

Suddenly, things are looking up, as John uses his ability to woo the dashing stegosaurus from his addicts group who just happens to have a thing for rugged aircrafts. But it's not long before John's new helicopter identity starts to spin out of control, taking on a personality of its own as the wild and horny, Chibs Pratt, chopper with abs.

Can John Hams become the hardcore gay hero that he is destined to be, or is this shifter bound to be nothing more than his own worst enemy?

The room itself is massive, with another set of windows that fill the far wall from floor to ceiling and look out towards the distant Hollywood Hills.

I slowly strut across the hardwood floors on my landing skids to Yorb, enjoying the way that his yellow dinosaur eyes flicker and dance across my metallic body. At this point, he can't help but stare.

Seductively, I give my blades a quick flash of speed and hover up onto the bed, then crawl towards him, eventually positioning myself directly over his body. I take Yorb's hands carefully with two blades and pull them above his head, controlling him completely as I make my way down his ripped chest and scaly abs with a series of sensual helicopter kisses.

Of course, the miniature stud is nothing more than a childish illusion, not summoned from anywhere but, rather, created out of the gay energies that float all around us. This spell as is simple as it gets, a quaint charm developed by some randy gay wizard to impress his potential lover.

BUTTCEPTION: A BUTT WITHIN A BUTT WITHIN A BUTT

Chuck Tingle, a writer who defined a generation with his sensual brand of homoerotic thriller, is back with a three-book collection that has been heralded by Death And Taxes Magazine as “a transhumanist masterpiece.”

What begins as the simple story of a man’s true love for a gay unicorn sailor quickly evolves into something else entirely, each tale pulling farther and farther out to reveal a breathtaking glimpse at the greatest author of our time. Like a butt within a butt within butt, this trilogy will have your perception of time and space turned completely upside down in total buttception. Welcome to the future of literature.

Dr. Porter is about to refute my statement, and gets his mouth halfway open before suddenly there is a loud slam against the glass behind us. Dr. Porter and I jump in surprise, immediately looking up to find a rather large, winged butt hovering in the air just inside of the glass.

“Hey there,” says the butt, “you think you could let me out of here? I’m freezing my ass off.” The rump chuckles to himself.

My partner and I exchange glances of excitement.

“Of course!” Dr. Porter says, running over to the containment chamber and opening it up. “Welcome!”

The flying butt flaps its way inside and then lands on the desk in front of us. “Hello!”
